

INDUSTRY PROJECTS COMPLETED

Sr.No.	Title of Scheme	Sponsoring Agency	Year	Principal Investigator
01	“To study the efficacy of AV/NNC/17 on broiler growth performance, immunity & gut development”	AYURVET Baddi (H.P.)	2009	Dr. M. M. Kadam
02	“Efficacy Evaluation Studies of some Herbal Products on Growth, Productivity & Egg Shell Quality In Layer”	AYURVET Baddi (H.P.)	2009	Dr. M. M. Kadam
03	“Efficacy of Evaluation of herbal product in layers”	AYURVET Baddi (H.P.)	2009	Dr. M. M. Kadam
04	“Efficacy of NICOMETH for replacing synthetic methionine in commercial broiler diet”	AYURVET Baddi (H.P.)	2009	Dr. M. M. Kadam
05	“Effect of herbal preparation(AV/HLP/16) on egg yolk Cholesterol and Serum Profile Commercial Layers”	Piramal Health Care, Mumbai	2009	Dr. M. M. Kadam
06	“Effect of Exogenous Emulsifier on growth performance in commercial broilers”	Polchem, Pune	2011	Dr. M. M. Kadam
07	To assess the binding efficacy of various commercial mycotoxin binders in broilers”	Jubilant Life Sciences, Noida	2012	Dr.M.A.Gole
08	“Performance of Broiler Chicken Fed Bacillus Based Probiotic With Antibiotic Under Summer Stress Condition	Evonik Pvt Ltd, Singapore	2013	Dr. M. M. Kadam
09	Evaluation of <i>Bacillus</i> Species as Potential Probiotic in <i>Clostridium Perfringens</i> Challenged commercial Broiler Chicken	Evonik Pvt Ltd, Singapore	2014	Dr. M. M. Kadam
10	Efficacy of herbal supplement on egg production	AYURVET Baddi (H.P.)	2016	Dr. M. M. Kadam

11	Feed additive effect of curcumin on growth performance in commercial broiler chicken	Ramon Vila, Laboratorios Karizoo SA Barcelona (Spain)	2018	Dr. M. M. Kadam
12	Evaluation of lysombic as potential feed supplements for growth performance and gut development in broiler birds	Alembic Pharmaceutical, Ltd Mumbai	2019	Dr. M. M. Kadam
13	Role of Betaine Supplementation on Growth Performance Transportation stress and shrinkage loss in Broilers during Summer Season	Optima Life Sci, Pune	2020	Dr. M.M. Kadam

NATIONAL PROJECTS FUNDED BY STATE/CENTRAL GOVT OF INDIA

	Title	Funding	Rs. (₹)	Year	Principal Investigator
01	Role of Early Chick Nutrition on Growth Performance, Gastrointestinal Tract Development and Immune Competence in Commercial Broiler Chicken	Department Of Science and Technology, New Delhi	Rs. 14,11200/-	2009-2012	Dr. Kadam M. M.
02	Sustainable Tribal livelihood through scientific backyard poultry rearing in Gadchiroli district of Maharashtra	ICAR, New Delhi	Rs. 73.00 Lakh	2012-13 to 2013-14	Dr. Kadam M.M
03	Establishment of Training and Demonstration Centre on commercial Poultry Farming under MAFSU	RKVY, State Govt of Maharashtra Mumbai	Rs.155 Lakh	2014-15 to 2016-17	Dr. Kadam M.M
